

## Equine Sponsorship Opportunities

### **Supportive Care Modalities**

**8 Week Schedule Cost of \$350 Per Visit or Annual Cost of \$2,275**

We provide our herd with care sessions including acupuncture, acupressure, massage, chiropractic, reiki and kinesiology taping to help alleviate the emotional and physical tension they hold in their bodies due to their work in programs and with clients.

### **Dental Care**

**Annual Visit Cost of \$1,200**

Our herd receives yearly dental care from an equine veterinary dental specialist facility to ensure their continued comfort.

### **Feed**

**Monthly Cost of \$350 or Annual Cost of \$4,200**

We provide individualized nutrition plans for each of our horses catering to their dietary needs. This will include their hay, grain and supportive care supplements.

### **Farrier**

**8 Week Schedule Cost of \$260 Per Visit or Annual Cost of \$1,690**

The herd receives hoof care from a specialist to maintain their comfort as well as addressing any physical ailments through the expert trimming techniques.

### **Electric**

**Monthly Cost of \$100 or Annual Cost of \$1,200**

Our facility is able to accommodate program participants with heat and air conditioning to keep experiences both comfortable and functional.

### **Sponsor A Horse**

**Cover the care of any of our equine colleagues for the annual cost of \$3,500**

This sponsorship will cover all costs for one of the horses which in addition to the above care includes continued individualized physical and psychological training to keep our horses happy, healthy and engaged in the sessions to achieve the best possible results in our unique equine experiential learning programs. Sponsors will receive monthly updates on the sponsored horse of their choice.
